

Philosophy and Mission:

Our Father's House, an outreach of the Pitman United Methodist Church, believes that children learn through play. Your child will discover the joy of learning, building friendships, and preparing for kindergarten with organized games and age-appropriate instruction.

Our state of the art facility meets the New Jersey state requirements. All our experienced teachers and aides are deemed highly qualified by the state as well. However, **our greatest strength lies in our dependence on Christ and His teachings.**

Curriculum:

Our Father's House uses a Christian pre-school curriculum. Bible verses, prayer, and loving one another is a central part of our daily routine.

Language:

The program teaches skills necessary for early reading and writing through the use of phonemic awareness and letter, word, and number recognition.

Math:

The program introduces an understanding of numbers and the concepts of ordering, sorting, counting, patterning, grouping, adding and subtracting. Shapes are also introduced through these concepts.

Science:

The program introduces observing, comparing, classifying, measuring, discussing, reporting and predicting skills.

Social Studies:

The program introduces geography, history, map reading, cultural awareness, and social studies concepts.

Facilities and Staff:

We provide a Christian educational experience designed to help each child grow spiritually, intellectually, socially, cognitively, emotionally and physically.

We honor the trust you have placed in us and offer Our Father's House as an extension of your home. As in any family, we are here to work with you to raise healthy, happy, and confident children that know that they are loved, valued and enjoyed.

Our goal is to create a Christian environment that is centered on the love of Jesus and in the belief that we should all love one another. We do this by frequent communication, age appropriate Bible stories, songs, prayer time, missions outreach and our daily interaction with the children. It is our greatest concern that the children feel safe, accepted, loved and know that God loves them.

You need not be a member of this or any other United Methodist Church to attend the school. We accept all children regardless of your religious affiliation, ethnicity or circumstance.
